**Rescheduling:** Look at the weather the week of your session. Though this is Florida, we too have our cold days and you should bring blankets and/or sweaters and jackets that you don't mind being photographed on those days. If it looks like rain we will contact you within 24 hours of your session and make a plan B. We can shoot in our studio located on canal street or switch the day and time of your session to another slot we have open.

**Showing up Late:** If you are more than 15 minutes late to your session, requiring it to be rescheduled, you forfeit your deposit. If you show up late to your session and we are still able to shoot, we will not be responsible for fulfilling the full session time or photo allotment.

**Image Processing/Printing:** Image editing is done according to the photographer's style. Photos chosen for final gallery are based on photographer's discretion. Requests can be made but not guaranteed. Small photoshopping jobs including blemish removal and stray background objects will be done at photographer's discretion. If there is extra photoshopping requested for things such as but not limited to: tan lines, black eyes, large bruises, sun burns, and facial lacerations, additional photoshopping fees will be charged. Photoshopping fees begin at \$5 per photo and increase from there based on number of photos requested and the time taken to Photoshop each image. We will never add these fees on our own. These fees will only be added if you request specific photo shopping. Client may request further changes for an additional charge. Photographer is not responsible for any prints that are not ordered directly from her. For best results, clients with the high-resolution files should order their prints through a reputable lab.
